

The Department of Law and Social Thought and Toledoans for Prison Awareness present:

# WHY SOME COPS SAY *LEGALIZE DRUGS*

Captain Howard Rahtz

**An informative discussion with Captain Howard Rahtz, retired Cincinnati police captain and L.E.A.P. (Law Enforcement Against Prohibition) representative**

Join Capt. Rahtz and moderator Joe Moran (former probation officer and adjunct instructor in the Justice Studies program, Department of Sociology at Lourdes University) as they discuss law enforcement's experience on the front lines of the "war on drugs," and how it has led to a call to repeal prohibition and its replacement with a tight system of legalized regulation. This will effectively cripple the violent cartels and street dealers who control the current illegal market.

**April 16, 2014 5-6:30 pm SU 3018**

This event will be followed by a screening of  
*The House I Live In* (Field House 2100, 7:30-9:30pm)
