

Toledoans for Prison Awareness *Presents*

Prisoner Family Conference

*How a Prison Sentence Impacts the
Family and Loved Ones of the Prisoner*

Saturday, October 3, 2015 - 9am to 3pm

**Abundant Life Ministries Church
5025 Glendale Avenue**

A prisoner's family shares the hardship of a prison sentence, but they often have to cope with the trauma alone, not knowing where to turn for information. This conference offers stories from both sides of the wall and explores pathways to hope through knowledge and options to the issues that arise when your loved one becomes a prisoner.

Conference speakers:

- **Welcome by Lucas County Commissioner Tina Skeldon Wozniak**
- **Special Guest Norm Robinson, Deputy Director of Prisoner Reentry ODRC**
- **Amy Friedman of POPS (Pain of the Prison System) Los Angeles, California**
- **Willie Knighten of The Ridge Project Toledo, Ohio**
- **Joyce Pierce of Families Behind Bars, Waterville, Ohio**
- **Panel discussion by present and former prisoner family members and ex-prisoners**

For planning purposes early registration is recommended.
